and Prevention

 **Benefits:**

Participation is free

No age restrictions

Tailored to your safety needs
& concerns

Brought to your home

Increases your personal safety
and household security

Helps you avoid telephone, mail,
traveling sales, and computer scams

Learn how to report issues of concern
and where to get additional support

Increases your independence and
enhances your health and safety

 **We also support the following:**

The Senior Friendly™ Program

Our service is licensed to offer Senior Friendly™ Training workshops. This tool helps communities become age friendly and is freely available to help your organization or community group gain essential awareness of being age friendly.

Call to learn more about this engaging and informative workshop.
