**ANNAPOLIS WEST HEALTH FOUNDATION  
STUDENTS HEALTH RELATED BURSARY  
PROGRAM**

The Annapolis West Health Foundation Student Health Related Bursary Program is an initiative to assist individuals entering a health-related education program at the University or Community College level. The Program is open to current graduating students of Annapolis West Education Centre, as well as past graduates. Applications will also be accepted from AWEC graduates who are currently enrolled in a Health-Related Education Program at the University or Community College level and are now in their second, third or fourth year of studies.

Students are asked to complete the Annapolis West Health Foundation Student Bursary Program application form in full and submit it to the Foundation office at the address below. A short list of applicants will be interviewed by the AWHF Education Committee.

The award of \$4000.00 is contingent upon successful completion of the first term of studies. Funds will be released by the Health Foundation to the Educational Institution upon receipt of the applicant's first term marks.

Should a suitable position become available in the Annapolis Royal area, the applicant should strongly entertain applying for said employment for a period of at least one year.

**Deadline for application is April 26<sup>th</sup> of the current year.**

**Please forward the completed application and required documentation to:**
